

## Three Saint Bernards Compete In AKC's New Community Canine Test & PASS!

It was not just any ordinary night at your local Home Depot. The Home Depot store in Issaquah, Washington was the location for one of AKC's Community Canine (CGCA) tests. In fact, it may have been the first CGCA tests in the nation! The new CGCA title went into effect on October 1, 2013 and there were five (5) participants in tonight's test. Three (3) were SAINT BERNARDS trying out for the new AKC title. I am pleased to report all three of the Saint Bernards passed with flying colors!

- 1) **GCH Rock And Roll's Pinball Wizard 1/3 CD, BN, RN, CGC, CGCA**
- 2) **GCH Lasquite's May of Denver, CGC, CGCA**
- 3) **GCH Stoa's Xena Anne de Peru BN, RN, CGC, CGCA**

You will note all three are Grand Champions!! To learn more about the test click on the link: <http://tinyurl.com/o8axowm>
