

Breed First - Pre-Companion Dog (PCD)

Fremont's One In A Million BN, PCD, RN, CGC

Good to hear that Millie is the first Saint with PCD. You might remember Millie, she was one of the two 6-month old puppies that I left at home when I went to Wyoming to judge at the SBCA National. When I got home I had to pick her up at the emergency clinic. She and her brother were rough housing in the yard and she got a scratch on her leg that got infected. She came by her name "Fremont's One in a Million" because only she and her brother survived all the other puppies were born dead. After seeing all those other puppies dying and she was the last one born I thought what are your chances of surviving--One in a Million. Their mother Cache Retreat Fremont Trinkka had a white mark on her back in the shape of a perfect number 1. So her puppies were "Fremont's One for the Road" and Fremont's One in a Million". Now for her story

FREMONT'S ONE IN A MILLION, BN, PCD, RN, CGC—Millie was 5 years old before I started to compete with her in obedience. She soon earned the nick name of "Silly Millie" because of her antics in the ring. She is a very happy-go-lucky-dog. She loves to look around the ring at her fans. So because of her lack of attention while heeling I don't think I can go any further with her in obedience but she is one happy dog. Judges seemed to enjoy having Millie in their ring and often chuckled at her antics.

Millie earned her first Pre-Novice leg at the Pocono Mountain Kennel Club on September 13, 2013 with a 4th place. Her second leg was at the Lehigh Valley Kennel Club on September 14, 2013 with a 3rd place. Her third leg came at the Valley Forge Kennel Club on December 7, 2013 with a second place.

She is now enjoying retirement playing with our Nova Scotia Duck Tolling Retriever. She is his Saintly sidekick.
