by Terry Popish

Hummer became the first Saint Bernard to earn the T2BP title on February 17, 2013. He earned the T2BP2 title on September 1, 2013. This title requires the T2BP title and an additional 15 qualifying scores and 100 points. Points earned over 100 and qualifying runs (over 15) for the previous title do not carry over to the next level. Dogs start with 0 points/0 Q's for each new title.

Time 2 Beat or T2B became an optional AKC Agility titling class on July 1, 2011. To earn the T2B (Regular) or T2BP (Preferred) title, a dog must earn 15 qualifying scores and 100 points. Time 2 Beat (T2B) is a combination course of Standard and Jumpers With Weaves. While dogs of any skill level (i.e., novice, open, excellent) are allowed to compete in T2B, to be successful you will need to demonstrate an advanced level of skills. Course design should encourage speed and flow. Seventeen to nineteen obstacles will be used on the course. A mix of three obstacles consisting of the weave poles and either the A-frame, seesaw or both will be required to be used in the course design. At least one contact and one set of 12 weave poles must be used. One set of 12 weave poles or one A-frame or seesaw may be taken twice to meet the requirement. One or two open tunnels can be used on course. Open Tunnels are optional. The rest of the obstacles are comprised of bar jumps, one bar jumps and the tire. No dog-walk, table, chute, panel jump, broad jump or dummy tunnels will be allowed.

Judging - Dogs will be judged and points awarded by jump height not by class. There will be no refusals or run-outs (R) scored in T2B. Wrong courses will be scored and will result in a non-qualifying score (NQ). Weave poles must be completed in three (3) attempts or less. Run-outs and refusals will not be scored.

Times: MCT (Maximum Course Time) will be:
50 seconds for the 20, 24 & 26 inch jump heights
55 seconds for the 16 inch jump height
60 seconds for the 4, 8 & 12 inch jump heights

Scoring: A qualifying time will be less than MCT (Maximum Course Time) for each jump height. There will be no additional time for the Preferred class, since it will be a Preferred dog that sets the Time 2 Beat for the Preferred Class at each height. A qualifying score (Q) is a run that is under MCT and is clean with no faults.
