The Master Jumpers with Weaves class is intended to be a fun yet competitive way to demonstrate a working relationship between dog and handler. In this class, dogs are not slowed down by the careful performance and control required by the contact obstacles and Pause Table. Teams can therefore race through a course composed primarily of jumps demonstrating a dog's speed and jumping ability. The dog must complete 18-20 obstacles on the course without any faults (refusal, wrong course or dropped bar) and at or under course time. The JWW class consists of 18-20 obstacles-mostly jumps including the tire, triple, double, board jump, 12 weave poles and can include tunnels. For every full second the dog runs under course time he earns 1 PACH point.

Hummer earned his Master Jumpers Preferred 10, MJPI0 title on 9-14-14. He has a very high qualification rate in Jumpers (about 95%) and usually finishes at the top of his class, earning up to 16 PACH points per run. After taking most of the summer off (because of the heat) Hummer went right back to earning Master Qs in Jumpers.

The MJPI0 title requires 100 perfect scores of 100 in the Master's Class. This class is Hummer's favorite especially if it does not include tunnels. It takes longer for Hummer to go through the tunnels because he needs to "shuffle" through them. He loves to just stride out and really get his locomotion going. On a big, open jumper's course-he is unbeatable. He can cover so much ground with his long stride. But, on a tight and difficult course he also does very well. Hummer has perfected the weaves and has greatly increased his speed in completing them correctly. He loves jumping and is built for it with his long legs and lean body.

Hummer is the JUMPING MASTER! On this day, Hummer also earned the Century Jumpers title-100 perfect scores.
