by Terry Popish

Hummer earned the first Saint Bernard PACH (Preferred Agility Champion title) on 11-25-13 and earned his second PACH (PACH2) 6 months later on 5-24-14. In order to acquire the Preferred Agility Champion title 2, a dog must achieve a minimum of 1500 championship points and 40 double qualifying scores obtained from the Master Standard and the Master class, 1 point is awarded for each full second under Standard Course Time. Dogs earn points from the Master Standard and/or the Master Jumpers class. Dogs qualifying with scores of 100 in both the Master Standard and the Master class on the same day equals 1 (2Q).

Again, PACH points were never an issue with Hummer because he always earned plenty of points for running under course time, what we needed was that final double Q (#20). Hummer had over 1750 points and only 1500 are required for the title.

We attended an agility trial in Dixon, CA and of course there was a heat wave that weekend. Temperatures soared to 103. We ran earlier in the day and qualified in Jumpers but needed the Standard Q. We toughed out the heat and qualified in the Standard course for our PACH2 title. It was so hot that did not do our "Victory Lap" but left to return to our motel room to cool off. I honestly never thought that Hummer would be able to earn the PACH title let alone a PACH2 but he did it! He loves agility and nothing stops him.

It can be very difficult to run a Saint Bernard in the heat and is never my first option but sometimes it happens. Agility is never cancelled due to weather and we have competed in floods, freezing cold, fog, wind and the heat. Most people do not understand the sacrifice involved in competing at this level and achieving these Championship titles. It takes a lot of dedication from the dog and handler, money, personal sacrifice, pain and a few tears but the rewards are tremendous!
