Hummer earned the T2BP4 title on March 1, 2014. This title requires the T2BP3 title and an additional 15 qualifying scores and 100 points. Points earned over 100 and qualifying runs (over 15) for the previous title do not carry over to the next level. Dogs start with 0 points/0 Q's for each new title. Hummer had a total of 15 Q's and 143 points (43 points more than the requirement). He continues to love this class and usually receives a first place because of his speed and accuracy in running the correct course.

**Time 2 Beat or T2B became an optional AKC Agility titling class on July 1, 2011.** To earn the T2B (Regular) or T2BP (Preferred) title, a dog must earn 15 qualifying scores and 100 points. Time 2 Beat (T2B) is a combination course of Standard and Jumpers With Weaves. While dogs of any skill level (i.e., novice, open, excellent) are allowed to compete in T2B, to be successful you will need to demonstrate an advanced level of skills. Course design should encourage speed and flow. Seventeen to nineteen obstacles will be used on the course. A mix of three obstacles consisting of the weave poles and either the A-frame, seesaw or both will be required to be used in the course design. At least one contact and one set of 12 weave poles must be used. One set of 12 weave poles or one A-frame or seesaw may be taken twice to meet the requirement. One or two open tunnels can be used on course. Open Tunnels are optional. The rest of the obstacles are comprised of bar jumps, one bar jumps and the tire. No dog-walk, table, chute, panel jump, broad jump or dummy tunnels will be allowed.
