by Terry Popish

Hummer earned the first Saint Bernard PAX (Preferred Agility Excellent title) on 11-25-13 and earned his second PAX (PAX2) on 5-24-14 and his third PAX (PAX3) on 2-7-15 at the age of 9 years old. In about 1 ½ years Hummer has earned 3 PAXs.

In order to acquire the Preferred Agility Excellent title 3, a dog must earn 60 double qualifying scores (2Q) obtained from the Master Standard and the Master class. Dogs qualifying with scores of 100 in both the Master Standard and the Master class on the same day equals 1 (2Q). No PACH points are required for this title.

Hummer also earned his PACH3 title at the same time that he earned the PAX3 title. When Hummer earned that final double Q on the second day of the trial, we ran around the ring with our "Special Pole" and Hummer was so excited!!!! I finally felt that we deserved this special celebration.....we had worked so hard to get to this point and for so long-we enjoyed every moment! We had a wonderful experience that I will always remember.

The last day of the trial we earned our first double Q towards our PAX4 (only 19 more to go). If anyone would have told me 5 years ago that Hummer would earn a PACH3/PAX3—I would have told them that they were crazy. Hummer is my first agility dog and we only started in AKC Agility less than 5 years ago. As of now, we have qualified for 4 years straight to attend the AKC Agility Invitational and for the third year in a row, the AKC National Agility Championship. Hummer became the first Saint to qualify and compete in the National Agility Championship in 2014 in Harrisburg, PA and made it to the Challenger's round to qualify for the finals in the Preferred division. The next year, he once again qualified and competed in Reno, NV for the 2015 Championship.

AKC raised the qualifications for 2016 and I was not sure if we could qualify again for 2016. He needed to earn 600 PACH points along with other qualifying requirements. Hummer is running faster now than he ever has before and earned the required 600 points easily in 6 months. We are looking forward to attending the 2016 Championship to be held in Tulsa, OK next March.
