**The Most Famous Record Holder of the Saint Bernard Kingdom**  
Credited for saving over 40 lives in the Swiss Alps in the 1800s  
Let us not forget the roots of our breed and the record of which we are the most proud.

The dogs listed below have set records for Saint Bernards in many of the different Hall of Fame categories and databases. These records not only give recognition to the dog and handler teams which we can all be proud of, but they also set goals for us to try and achieve or surpass. The goals to preserve, protect and improve the breed we love are never ending. The records reflect where we are today.

Log on to <http://clubs.akc.org/saints/Archives/Welcome.htm> for the complete show record and featured stories about the dogs below. In the Records Room of the National Archives there are also past record holders to view. To review the records of *all* Saint Bernards, visit the Database room. Titles before and after the dog's names (listed below) are where they stand today.
