

The Saint Bernard National Archives & Hall of Fame

The First *Saint Fancier*

Volume 1, Number 1
Circa 1932

The original *Saint Fancier* consisted of only 8 pages. It was an experiment and is quite different from the Fanciers of today which can contain anywhere from 100 pages to over 200 pages.

It was sent to all club members and to all Saint Bernard owners whose names and addresses were on file at the Club headquarters, and to all persons interested in the breed that had written for information. The membership roster is listed on page 7. Subscription rate was \$1.00 a year. Advertising rate was \$1.50 per inch, minimum. The Editor was Leroy Fess (Coeur de Lion Kennels).

The wording tends to be clearer when printed out. This document will print out on 8 1/2 x 11-inch paper. You may also click on the DISC icon (in the upper LH corner of the PDF toolbar) and download this PDF file to your computer for future reference.
