

TOP TWENTY CONFORMATION EVENT TROPHIES

This trophy has quite a history in our breed. It was first presented as a Challenge Trophy for Best of Breed at the very first Orange Coast Saint Bernard Fanciers Specialty Show in 1976. The trophy was described as a 13-inch, hand-painted, Saint Bernard sculpture on a wooden base. It was sculpted by Richard Walker, donated by Richard and Gail Walker, in memory of **Grandeur's Bebe Chermaine**. This trophy was retired in 1978 by **Ch. Cypress Woods Baccarat**, owned and bred by Bets Young. Our thanks goes to O. M. Capodice for helping to complete this history.

Bill and Diana Oliver felt that this piece of history should be shared with other fanciers and have donated the trophy, renamed in honor of **Ch. Revilo's Quincy, CD, WP**

Shadow Box Memento Trophy to be awarded each year to the winner of the Top Twenty Conformation Event.

The current Top Twenty trophy base is handmade and the bronze Saint on the top was purchased online from England by Lori Latimer and Martin Glover. This trophy was originally the Best of Breed trophy for the SBC of San Jose, called the Martha Laden perpetual trophy. Marty retired the trophy with **GCHS Sandcastles Indecent Proposal** and then Brandy Mead and Martin Glover donated it to Top 20 in 2017 after having it repurposed.
