On January 1, 2007, the American Kennel club introduced a new class for Agility. The class is called Fifteen And Send Time (F.A.S.T.). The Agility Regulations defines the class as follows:

“Purpose. This agility tiling class is meant to be an additional test of strategy skill, accuracy, speed, strategy, and timing and distance handling, to demonstrate a dog’s athletic ability and willingness to work with its handler in a fast-paced atmosphere over a variety of agility obstacles.”

“Definition. As indicated by the title the Fifteen and Send Time Class uses fifteen (15) point valued obstacles and/or obstacle combinations. The course will include a ‘Send Bonus’ or distance element that will award a bonus of twenty (20) points if completed successfully, and is identified as the ‘Send Bonus’. Six of the fifteen (15) point valued obstacles must be single bar jumps (typically winged) valued at one point each. Winged jumps are assumed to have a value of one point unless otherwise denoted by the judge. Nine (9) additional obstacles on the course will be assigned unique values from 2 through 10 by the judge.”

On **February 24, 2007** (fifty-five days after the new titles were introduced), Kris earned his first Open F.A.S.T. qualifying score. This came just a week after he completed his Novice F.A.S.T. Preferred title—which was another breed first for Kris.

On **March 24, 2007**, Kris completed the Open F.A.S.T. Preferred title with eight seconds to spare! Sixteen (16) of Kris' 33 titles are in agility. The unique thing about Kris' 16 agility titles is they are all in one venue--the AKC. No duplicate titles in another registry. *Each title is a step-up in difficulty from the last. Plus, many are 10-legged titles which is a far cry from the 3-legged titles we are use to! Of the 16 agility titles Kris has earned, 8 are ten-legged titles!*
