

The Saint Bernard Club of America's

**Obedience, Tracking, Agility &
Performance Awards
Past & Present**

*The Saint Bernard Club of America's
1st National Obedience Challenge Trophy*

donated by
Samuel & Mary Harris in 1966

The rules for the awarding of the trophy were as follows:

1. Recipient must be a member of the SBCA while obtaining all scores to be considered toward the award.
2. The award to be given to the Saint Bernard with the highest score average from any three (3) AKC obedience trials obtained at AKC licensed shows during the period from January 1 to December 31. Said scores can be obtained in one or more obedience classes (Novice, Open, Utility), but must be obtained by the same dog. The average score will be computed from the official results published in the AKC GAZETTE.
3. In case of a tie of two (2) or more dogs, the trophy will remain in the possession of each winner for equal parts of the year.
4. In the event the trophy is won three (3) times by the same owner, the trophy shall remain in their possession and will be replaced with a trophy of equal value the following year.
5. Winners will supply to the *Saint Fancier*, the official publication of the SBCA, a suitable photograph, pedigree, and show record for publication at a suitable time.
6. Awarding of the trophy will be made at the SBCA's Annual Meeting of the club (usually the evening of the National Specialty Show) and the owner or his duly authorized representative shall be present to receive the award.

Past Recipients From 1966 to 1976

Remember these are the three highest scores of member's dogs only. A few years there were higher scores by non-members.

<u>Year</u>	<u>Dog</u>	<u>3 score average</u>	<u>Owner</u>
1966	Donbies Big Bertha CDX	195.50	Don Peterson
1967	Donbies Big Bertha CDX	197.33	Don Peterson
1968	Donbies Big Bertha UD	198.00	Don Peterson

The Saint Bernard Club of America's 1st Obedience Challenge Trophy was retired in 1968.

In 1969 The Saint Bernard Club of America purchased the 2nd Obedience Challenge Trophy.

1969	Donbies Big Bertha UD	193.83	Don Peterson
1970	Swiss Temerlane CDX	194.16	Mr. & Mrs. Coapstick
1971	Sanctuary Woods Up-Beat CD	195.50	Mrs. John Olson
1972	CH Bruno V Erick CDX	193.66	Richard & Susan Pratt
1973	Donbies Big Abe CD	197.50	Don Peterson
1974	Mistihil Turmwirt CDX	198.50	Ron McCallister
1975	Mistihil Turmwirt UD	199.30	Ron McCallister
1976	Mistihil Turmwirt UD	199.15	Ron McCallister

The Saint Bernard Club of America's 2nd Obedience Challenge Trophy was retired in 1976.

The trophy was discontinued and a National Challenge Obedience Trophy was offered, in its place, for the Highest Scoring Dog from the regular classes at the SBCA's National Specialty Trial.

*The Saint Bernard Club of America's
Top Obedience Competition & Class Awards
1977-1986*

In 1976 the Saint Bernard Club of America's (SBCA) Achievement in Obedience Challenge trophy was retired (for the second time) and not replaced. Instead, a new challenge trophy was first offered in 1977 to the highest scoring dog from the regular classes at the SBCA's National Specialty Trial.

The first Achievement in Obedience trophy (donated by Samuel and Mary Harris) was instituted in 1966. Donbies Big Bertha UD and Don Peterson retired the trophy in 1968. The trophy was replaced by the SBCA in 1969. Mistihil Turmwirt UD and Ron McCallister retired the second National trophy in 1976. These early trophies were awarded to the Saint Bernard with the three highest scores from any of the American Kennel Club's (AKC) Novice, Open or Utility classes. The owner of the dog had to be a member of the SBCA to receive the award.

In 1977 (an era with large numbers of Saint Bernards in *all classes* of obedience), the SBCA's National Obedience Committee proposed a different set of criteria to recognize all the top obedience Saint Bernards in the *different regular AKC classes*, plus *the top overall competition dog* in the nation. A certificate was awarded at the Annual Meeting to the recipients. The following criteria and awards went into effect in 1977:

At the end of the calendar year, all the qualifying scores from the AKC's obedience classes (Novice, Open and Utility) were calculated based on the chart below. The dog with the highest point total was the **Top Competition Saint Bernard** in the nation. Also, the **Top scoring individual Saint Bernard in Novice, Open and Utility** were recognized. For the Top Novice, Open and Utility Saint, the *three highest score average* in said classes determined the recipient of that award. A certificate was presented to the dog's owner at the Annual Meeting of the Saint Bernard Club of America.

Competition points were calculated on the following chart

Every qualifying score from a regular obedience class (earned in a calendar year) counts. This system awards the high scoring dog, plus it awards the consistent scoring dog with many scores, which may not be all high scores.

<u>Points</u>	<u>Score</u>
200.....	8
198-199½.....	7
195-197½.....	6
190-194½.....	5
185-189½.....	4

In honor of...

The Ch. Cherryacres Nicklus Von Hyden CD, CDX, UD

Saint Bernard Club of America Achievement in Obedience/Tracking Award
1987 to date

In 1986 the Saint Bernard Club of America's (SBCA) National Obedience Committee once again updated the criteria for recognizing the top achieving Saint Bernard in the United States. These revisions reflected the following changes, in the sport of obedience, for Saint Bernards:

1. The large obedience entries of the past era were now dropping off in our breed.
2. The American Kennel Club (AKC) was introducing many new "performance" titles to be earned in the fields of obedience and tracking.

The SBCA's Obedience Committee felt it necessary now to reward the Saint Bernard which kept showing year after year adding *many obedience and/or tracking titles* to its name. The committee felt it was time to reward the consistent dog that passed *many performance* events as opposed to one who did well in only one obedience class or one venue. The new award and criteria was adopted in 1987:

Each year a plaque in memory of **Ch. Cherryacres Nicklus Von Hyden UD** will be awarded to the Saint Bernard with the **Highest Achievement in Obedience and/or Tracking**. The presentation of the award to this dog's owner, or their duly authorized representative, shall be at the Saint Bernard Club of America's Annual Meeting providing the tally for the prior calendar year is possible (due to the timing of the Annual Meeting in relation to the publishing of the prior year's statistics in *American Kennel Club's AWARDS*).

This award will honor the Saint Bernard and its owner for the highest achievement in obedience and/or tracking as determined by the criteria set forth below. The criteria for the award are based on all AKC scores, titles, trials and tests for obedience and/or tracking in the preceding calendar year. These results are to be taken from the *AKC AWARDS*.

This award will be given to the dog that comes the closest to the highest criteria (#1 being the highest). The criteria are listed in order of difficulty for Saint Bernards based on the data from the Saint Bernard National Archives and Hall of Fame records from 1936 (first year of obedience/tracking) to date. These records may be viewed at: <http://clubs.akc.org/saints/Archives/Welcome.htm>

(Details at end of article) |

Tie-Breaking

If two or more Saint Bernards were to earn the same highest-level criteria (**for the calendar year**) for the Highest Achievement In Obedience/Tracking Award, the top dog would be chosen in the following order:

1. If the highest criteria Saint Bernards have more than one title, the dog earning the most obedience/tracking titles for the calendar year would be the recipient of the Highest Achievement Award.
2. If the above were still equal, the one with the highest competition points (for the calendar year) would be the recipient of Highest Achievement Award.
3. If the highest criteria dogs have obedience and tracking titles, the one with the highest competition points in obedience (for the calendar year) would be the recipient of the Highest Achievement Award.
4. If the highest criteria dogs have a tracking title(s) only, the award would be shared.
5. If two Saint Bernards were to tie for Highest Achievement Award (where no new titles were earned by any Saint Bernard for the calendar year) the Highest Achievement Award would be chosen in the following order:
 - a. The Saint Bernard with the highest obedience title with the most qualifying scores toward the next higher obedience title would be the recipient.
 - b. If all the above were still equal, then the Saint Bernard with the highest competition points towards the next higher obedience title would be the recipient of the Highest Achievement Award.
 - c. If the tie is between dogs that have scores *only* in the classes in which they **are** titled (Novice, Open, Utility), and no qualifying score(s) towards a higher title, then the Saint Bernard with the highest competition points will be the recipient of the award. The higher obedience class will take precedence, if needed, to break the tie.
 - d. If it comes down to a tie between dogs that have earned qualifying scores *only* in the Novice classes, in which they are **not** titled (and no other Saint Bernards earned titles for the calendar year), then the Saint Bernard with the highest competition points in Novice will be the recipient of the award.

Winners will supply to the *Saint Fancier*, the official publication of the SBCA, a suitable photograph, pedigree, and show record for publication at a suitable time.

Competition points are calculated on the following chart

Every qualifying score from a regular obedience class earned in a calendar year counts. This system awards the high scoring dog, plus it awards the consistent scoring dog with many scores, which may not be all high scores.

Saint Bernard Club of America Achievement in Agility Award

Each year a plaque in memory of **Ch/WDCh Stoans Dudley Do Right Of Jay-U CDX, DD, WPS** (*the FIRST Saint Bernard to qualify in American Kennel Club (AKC) Agility on June 24, 1995*) will be awarded to the Saint Bernard with the **Highest Achievement in Agility**. The presentation of the award to this dog's owner, or their duly authorized representative, shall be at the SBCA's Annual Meeting, providing the tally for the prior calendar year is possible (due to the timing of the Annual Meeting in relation to the publishing of the prior year's statistics in the *American Kennel Club's AWARDS*).

This award will honor the Saint Bernard and its owner for the highest achievement in AKC Agility as determined by the criteria set forth below. The criteria for the award is based on all AKC scores, times, titles, and trials for agility in the preceding calendar year. These results are to be taken from the *AKC AWARDS*.

This award will be given to the dog that comes the closest to the highest criteria (#1 being the highest). The criteria are listed in order of difficulty for Saint Bernards based on the data from the Saint Bernard National Archives and Hall of Fame records from 1994 (first year of AKC Agility Trials) to date. These records may be viewed at: <http://clubs.akc.org/saints/Archives/Welcome.htm>

Winners will supply to the *Saint Fancier*, the official publication of the SBCA, a suitable photograph, pedigree, and show record for publication at a suitable time.

Tie-Breaking

If two or more Saint Bernards were to earn the same highest-level criteria (**for the calendar year**) for the Highest Achievement In Agility Award, the top dog would be chosen in the following order:

1. If the highest criteria Saint Bernards have more than one agility title, the dog earning the most agility titles for the calendar year would be the recipient of the Highest Achievement Award.
2. If the dogs were still equal, the one with the most qualifying scores towards the next highest agility title would be the recipient of Highest Achievement Award.
3. If the dogs were still equal, the one with the highest qualifying scores (for a title[s] in the calendar year) would be the recipient of Highest Achievement Award.
4. If the dogs were still equal, then the Saint Bernard with the highest qualifying scores and lowest times would be the recipient of the Highest Achievement Award.
5. If two or more Saint Bernards were to tie for Highest Achievement Award (where no new agility titles were earned by any Saint Bernard for the calendar year) the Highest Achievement Award would be chosen in the following order:
 - a. The Saint Bernard with the highest agility title with the most qualifying score(s) toward the next highest agility title(s) would be the recipient.
 - b. If the dogs were still equal, then the Saint Bernard with the highest qualifying scores and lowest times towards the next higher agility title(s) would be the recipient of the Highest Achievement Award.
 - c. If the tie is between dogs that have scores only in the classes in which they **are** titled, then the Saint Bernard with the highest scores and lowest times (for the calendar year) will be the recipient of the award.
 - d. If it comes down to a tie between dogs that have earned qualifying scores *only* in the novice classes in which they are **not** titled (and no other Saint Bernards earned titles for the calendar year), then the Saint Bernard with the highest scores and lowest times will be the recipient of the award.

In honor of...

CH/WDCH XmaxKris Van 'T Hof Ten Eynder CD, CDX, UD, UDX, RN, RA, RE, RAE, RAE2, TD, NAP, NJP, OAP, OJP, AXP, AJP, MXP, MXP2, MXP3, MXP4, MXP5, MXPB, MXPS, MJP, MJP2, MJP3, MJP4, MJPB, NFP, OFP, XFP, VCD1, VCD2, DD, WP, WPX, WPS

Saint Bernard Club of America Achievement in Performance Events Award

Each year a plaque in honor of **CH/WDCH XmaxKris Van t' Hof Ten Eynder VCD2, UDX, RAE2, MXP5, MJP4, XFP, DD, WPS** (the **FIRST** Saint Bernard to earn a AKC's Versatile Companion Dog [VCD title] in 2002) will be awarded to the Saint Bernard with the **Highest Achievement in AKC Performance Events**. The presentation of the award to this dog's owner, or their duly authorized representative, shall be at the SBCA's Annual Meeting, providing the tally for the prior calendar year is possible (due to the timing of the Annual Meeting in relation to the publishing of the prior year's statistics in *American Kennel Club's AWARDS*).

This award will honor the Saint Bernard and its owner for the highest achievement in AKC's Performance Events as determined by the criteria set forth below. The criteria for the award are based on all AKC scores, times, titles, trials and tests from AKC performance events. These results are to be taken from the *AKC AWARDS*.

This award will be given to the dog that comes the closest to the highest criteria (#1 being the highest). The criteria are listed in order of difficulty for Saint Bernards based on the data from the Saint Bernard National Archives and Hall of Fame records from 2001 (first year of VCD titles) to date. All performance titles earned by Saint Bernards from 1936 (1936 was first year of Obedience/Tracking and 1994 was the first year of AKC Agility) to date are listed in the Archives. These records may be viewed at:

<http://clubs.akc.org/saints/Archives/Welcome.htm>

Winners will supply to the *Saint Fancier*, the official publication of the SBCA, and a suitable photograph, pedigree, and show record for publication at a suitable time.

1. **VCCh {Versatile Companion Champion} = OTCH, MACH & CT**
2. **VCD4 {Versatile Companion Dog 4} = UDX, MX, MXJ or MXP, MJP, VST**
3. **VCD3 {Versatile Companion Dog 3} = UD, AX AXJ or AXP, AJP, TD**
4. **VCD2 {Versatile Companion Dog 2} = CDX, OA, OAJ or OAP, OJP, TD**
5. **VCD1 {Versatile Companion Dog 1} = CD, NA, NAJ or NAP, NJP, TD**
6. **The dog having a title from each of the three performance venues**

Tie-Breaking

If two or more Saint Bernards were to earn the same highest-level criteria (**for the calendar year**) for the Highest Achievement In Performance Events Award, the top dog would be chosen in the following order:

1. The Saint Bernard earning the most obedience/tracking/agility titles for the calendar year would be recipient of the Highest Achievement Award.
2. If the dogs were still equal, the one with the highest competition points in obedience and/or the highest agility scores and lowest times (for the calendar year) would be the recipient of Highest Performance Achievement Award.
3. If a tracking title was the **only** title making the dogs eligible for the calendar year, then the tie would be broken by the one with the highest competition points in obedience and/or the highest agility scores and lowest times (for the past calendar **years**) would be the recipient of Highest Performance Achievement Award.

Competition points are calculated on the following chart

Every qualifying score from a regular obedience class earned in a calendar year counts. This system awards the high scoring dog, plus it awards the consistent scoring dog with many scores which may not be high scores.

<u>Points</u>	<u>Score</u>
200.....	8
198-199½.....	7
195-197½.....	6
190-194½.....	5
185-189½.....	4
180-184½.....	3
175-179½.....	2
170-174½.....	1
