**TDD, CGCA**

By, Terry Popish

Hummer earned his Master GOLD Agility Standard Preferred, MXPG title on 1-11-15. MXPG, requires the MXPS title plus twenty-five additional Master Agility Standard Preferred class qualifying scores of 100, for a total of 75 perfect scores. The dog must complete 18-20 obstacles on the course without any faults (refusal, wrong course, table fault or dropped bar) and at or under course time.

The Standard class consists of the Teeter, Dog Walk, A-Frame, Table, 12 weave poles, tunnel(s), chute and various jumps including the tire, triple, double and board jumps. For every full second the dog runs under course time he earns 1 PACH point.

This class is the most difficult for Hummer. It takes a slower pace and a lot of caution not to fault. Hummer tries to run this course like a jumper's course and gets going a little too fast and will over jump the table, miss a contact or decide to take a different course off the A-frame. Hummer has earned twice as many Qs in Jumpers than in Standard. I would rather not compete in Standard but it is necessary for earning double and triple Q's for the PAX, PACH & TQXP titles. So, whenever we earn a title in Standard I am very happy. Over the years Hummer has gotten much better in this class but he still gets very excited when he is waiting to run and hears the teeter banging and watches the other dogs. I have a routine of giving him a full body massage before each run (while we wait our turn) and this helps to keep him a little calmer and not focusing on the other dogs running the course. This class takes a lot of skill, focus and luck!

It appears that Hummer is finally getting the hang of this class.
