First Saint Bernard to earn - FCAT

Super proud of her!!

FCAT - is the top earned title in FCAT with collecting 1000 Points - running 100 yards at top speed chasing a plastic bag.

Super Proud to say Spiritt lead the pace with earning the first for the breed with BCAT, DCAT, and now the FCAT. Spiritt has also held the number 1 spot 3 years in a row as the fastest Saint.

Spiritt was also invited to the first FCAT invitational in Orlando in 2020.
