## STEWARD INSTRUCTIONS

### General Information For All Classes

- ARMBANDS**                    **When handing out armbands make a check mark in the catalog next to the number. In classes with jumps ask for the jump heights.**
- CONFLICTS**                    A conflict exists only when the dog entered in this class has a conflicting time schedule in another class. In such a case, have the handler check with me. I will try to make arrangements for later or earlier judging. **Make a note of a conflict in the catalog.** Handlers have the responsibility to be at ringside--we cannot wait or look for them.
- OUT OF ORDER**                Call to my attention a dog coming into the ring out of catalog order.
- ABSENTEES**                    **Notify me of absentees**--both those who have not picked up armbands and those who have checked in and are not at ringside to be judged when called.
- COLLAR, ETC.**                Visually check collars and leashes to see that they comply with the Regulations (Chapter 2, Sections 16 & 17). No tags are allowed **hanging** from the collar. I will also check but if you spot a problem outside the ring it saves us time by correcting it then.
- Also, be sure handlers have no belt pouches, belt packs, pagers or cell phones when coming into the ring **during the exercises or awards.**
- LEASHES**                      **Make sure all dogs enter and leave the ring on leash.**
- RING GATE**                    **Do not stand at the entrance to block a dog from leaving the ring.**
- TOYS/FOOD**                  **No food or toys** are to be placed on the judge's table by the handler while they are in the ring.
- SCORES**                        **Do not disclose scores, etc., to the handlers or allow anyone to look at the Judge's Book.** I will inform the handler if they qualified after the last exercise. All final scores and placements will be given out after the whole class (or split class) has been judged.
- JUDGE'S BOOK**                I would like a steward to double-check my addition. If you have a question, inform me. Do not make corrections or write in the Judge's Book.
- SPECTATORS**                Watch around the ring for any spectators or dogs that could be too close to the ring and cause interference with the dog(s) in the ring.

**Please keep your attention in the ring and be ready when needed.**  
**Thank you for stewarding! The handlers and I are counting on you.**

**Please turn over**
