Sully's love for Dock Diving is stronger than ever. He continues to live for jumping off the dock in any format. Since he loves it, we keep doing it. Sully loves this sport and will do anything to get that toy. The Dock Senior Excellent 5 title requires 155 legs in the senior division (15`0"-19`11") He got the title on June 11, 2022 on his home dock of American K9 Country.
