Sully's love for Dock Diving is stronger than ever. He continues to live for jumping off the dock in any format. Since he loves it, we keep doing it. Sully loves this sport and will do anything to get that toy. He had qualified for nationals, so we were sure to make the trip. He earned this title during the NADD and Saint National week! It was a busy week, but that did not slow him down!

The Dock Senior Excellent 6 title requires 180 legs in the senior division (15`0"-19'11") He earned the title on October 30, 2022.
